Harley

Size: Small

Age: 1 years 3 months

Child Suitability: 13 Years+

Live With Dogs: No

Harley is a nervous girl that needs time to get to know you

once she has developed a relationship with you she enjoys cuddles, she does prefer to be held rather than walk. Harley cannot live with others dogs as she wants all the attention to herself, she will need a home were people are around a lot because she struggles with being left on her own.

Harley will make a lovely companion and will give so much love she just wants to be around people and have cuddles, she does enjoy a little run around and a play but she soon returns to you for attention.
