

I NEED A HOME

Rory King

Breed: Staffordshire Bull Terrier

Size: Medium

Gender: Male (N)

Centre: Birmingham Centre

Age: 2 years 7 months

Child Suitability: No

Live With Dogs: No

Status: Reserved

Rory is a very lively chap who will get bored if his mind is not kept stimulated, this is by exercising regularly and giving him toys like kongs etc.

He has received a lot of training here at the centre including muzzle training and has come on leaps and bounds. Therefore in the home environment his new owner must continue his training and walk him on a muzzle at all times as he is not good around other dogs.

This handsome chap does know his basic commands but would benefit from further training in his new home.

Rory likes having a run in the paddocks but also likes fuss and cuddles of his canine carers.
