Jenga is a lively happy boy that needs to go to an active home used to very energetic breeds

Jenga could not live with other dogs but we feel that he should be okay with children, he will need further training on general obedience and would benefit from training classes and socialising with other dogs. Jenga can also jump very high so will need a home with at least 6ft fencing if not taller as he has been known to clear a 6ft fence

Jenga will make a fantastic companion and will give alot of love.
