Zena is a real character who loves people and being the centre of attention. She adores fusses, cuddles and belly rubs. Zena is not able to live with another dog as she does get jealous and wants all of your attention. She is also not suitable to live with cats or other animals.

Zena is strong on the lead but her canine carers are starting to walk her on a halti to stop pulling. Zena is a clever girl who can sit, give paw and lies down and rolls over. She loves her treats.
