Holly is a very lively girl who will need an active home. She is very intelligent, knows her name and have good recall. She can sit, lie down, spin and give paw. Holly loves a good play and playing with soft toys. Holly does not like other dogs so cannot be walked with them but is fine from a distance and is very good at focus training. She adores a fuss and cuddle but can get carried away and play nips occasionally, however this has calmed down a lot during her stay . For further information on re homing Holly please call our Wolverhampton centre.
