Hitch is a lovely, laid back older boy looking for a nice retirement home.

He loves to go for gentle walks and pottering off lead.

Hitch does like other dogs and has lived with one previously so could possibly live with another one as long as they are calm.

We are looking for a calm, quiet home for Hitch where he can live out his retirement so if you feel you could be the right home for him or for more information on Hitch please call the Wolverhampton centre on 01902 790618
