Hello, i'm Trixie. I'm a nervous girl to start with but I am very loving once I get to know you.

I'm looking for a quiet home where I can potter around and have my own space when I need it. I am a very laid back dog too for my size

I need my new my new owners to approach me gently as I'm very nervous and will need build up my confidence.

I am going to need some training as I have a bit of food aggression, therefor will not be able to live with children.

I love it when my carers take me out for my walks everyday and i love to meet other dogs, I will tell the other dogs off if they are too much for me and not calm.

Please call the Birmingham Centre if you can offer me a forever home.
