Winnie

Gender: Female

Centre: Birmingham Centre

Age: 1 years 4 months

Child Suitability: No

Live With Dogs: Possibly

Status: ONHOLD

Winnie is a really sweet and loveable girl once she knows you. She is completely deaf and very wary and nervous of new people therefore is looking for an understanding family to call her forever home.

Winnie walks on a harness and she is muzzle trained and will need to wear this when out walking due to her being nervous and unsure around new people. She is looking for an experienced owner who has dealt with reactive dogs before. Winnie will require numerous meets at the centre so someone who is consistent is essential.

She loves fuss and cuddles from her K9 carers who have shown her nothing but love and have worked extremely hard to help Winnie overcome her fears however this needs to be continued at home.

if you can offer Winnie a loving home please call the Birmingham centre.
