Razor is a huge loveable boy. What he lacks in common sense, he certainly makes up for with his big, friendly, personality.

Razor does need a family who have time to slowly introduce him into the home. Razor has previously lived in an outdoor kennel. Razor is not well versed in household manners, he sees everything as a toy, which means he is destructive.

Razor has had double TECA surgery, which is the removal of the ear canal. He is now deaf, but can respond to treats.

Razor is a playful boy, who enjoys walking with his canine friends. Razor is a sweet boy who deserves a loving home. He loves attention and will roll on his back for fuss
