

I NEED A HOME

Reggie

Breed: Staffordshire Bull Terrier (cross)

Size: Medium

Gender: Male (N)

Centre: Birmingham Centre

Age: 6 years

Child Suitability: No

Live With Dogs: No

Status: Available

Reggie is a rather handsome lad with oodles to offer his new family, it is easy to fall in love with that gorgeous face. He is a strong willed and smart boy who enjoys learning and would suit an active family keen on dog training.

He will not be a first time dog, we will be looking for a family who have plenty of experience. Ideally with dogs who have previously shown aggression. He will need a home where he has direct access to a private garden. He cannot live with children or other animals.

Reggie is at the Birmingham Centre, please get in touch if you would like some more information about him
