**Child Suitability: No**

**Live With Dogs: No**

Tana is a fantastic girl with traits of both Shar Pei and American Bulldog. When unsure, Tana is very aloof and can be guarded and unsure but becomes a big bouncy ball of fun when she builds a relationship.

Tana has displayed some guarding behaviours whilst with us and will need a knowledgeable home to set boundaries and give consistent, positive training.

Tana becomes very attached to a person she knows and trusts so is ideally looking for an experienced owner who either lives alone or a small family unit with experience with head strong breeds.

This quirky girl is absolutely fabulous once she understands you and you her. If you think you could offer Tana her forever home please contact the centre.
