Sapphire

Size: Medium

Gender: Female

Centre: Wolverhampton Centre

Age: 5 years 1 months

Child Suitability: No

Live With Dogs: No

Status: Available

Sapphire can be very nervous when you first meet her. Her potential adopters may need to meet her several times. Sapphire needs someone experienced with nervous dogs to continue her confidence building.

Sapphire has previously snapped out at strangers so we have been muzzle training her around new people as she will need to be muzzled in when out in public. When Sapphire has a bond with you she is a very fussy, cuddly girl.

Sapphire is super treat motivated, this will help you build your bond and help her training.

This girl is looking for a pet free home as she is not keen on other animals.

If you can offer Sapphire her forever home please call 01902 790618
