

I NEED A HOME

Ronnie

Breed: American Bulldog

Size: Large

Gender: Male (N)

Centre: Wolverhampton Centre

Age: 1 years 2 months

Child Suitability: No

Live With Dogs: No

Status: Available

Ronnie is an excitable boy looking for an experienced home used to big boisterous dogs. This lovely boy is also deaf so any experience with deaf dogs would be advantageous.

Ronnie does need to learn some manners as he is so friendly he will jump up you and can mouth and grab hold of hands and clothing so this will need to be discouraged in his new home.

Ronnie would like all your attention to be on him so we are looking for a pet free home where he can have all the love he deserves.

He loves to play with toys and this is a great way to bond with him but just watch your fingers as he can get overexcited.

If you think you are the right home for this affectionate boy please contact our Wolverhampton centre for more information.
