Violet is a sweet girl who has a lot of love to give, she can be nervous at first but soon comes out of her shell.

This sweet girl is looking for a family that has no children and has the time and patience to let her settle in.

Violet does know a few basic commands but would benefit from dog training classes to help with building her confidence and further socialisation.

We feel Violet could live with another dog because she does come out of herself more.

Please call the Birmingham Centre, if you can offer Violet a forever home.
