

I NEED A HOME

Blaze

Breed: Siberian Husky

Size: Large

Gender: Male (N)

Centre: Sunnyside Centre

Age: 9 years 6 months

Child Suitability: No

Live With Dogs: No

Status: Available

Blaze is sweet boy who will need a quieter husky experienced home, he is an older boy and wouldn't be suitable to live with children around him as he is unsure of sudden movements and loud noises,

Blaze will sit and give paw and enjoys time off lead in the paddock running around with his carers he does enjoy fuss and cuddles once he gets to know you but can be unsure of being messed with in situations such as going to the vets therefore we do advise the use of a muzzle just to ensure the safety of both yourself the vet and Blaze.

Blaze will love a home were he can spend time relaxing with his new owners and going for walks and adventures to explore the surroundings.
