Hi my name is Daisy, I am slightly older than most of the dogs at the home but still enjoy my daily walks and cuddles.

My ideal home would be with no dogs as I am not sure about some especially if they are lively. I will need to live with confident children over the age of 8+ as i am very vocal and this can frighten children.

I know how to sit, lie down, give paw and walk well on the lead. My favourite thing is playing with my toys.

If you have the room for the slightly older dog in your home. please call the Birmingham Centre for more information.
