Murphy is a big boisterous ball of energy, he loves to play and chase and run around but once he has burnt all his excess energy off he is the sweetest loving dog and will just sit for cuddles fusses and kisses.

Murphy has had a lot of training with the staff and the behaviourist as when he came in he was an unruly boisterous boy but he is now developing in to a well mannered boy. Murphy loves to learn and loves to please he is driven by food and toys which makes him easy to train as he thrives off reward.

With continuation of the training Murphy will make a brilliant member to a home.
