

I NEED A HOME

Lacey

Breed: Crossbreed (cross)

Size: Medium

Gender: Female (N)

Centre: Sunnyside Centre

Age: 1 years 7 months

Child Suitability: No

Live With Dogs: Yes

Status: Reserved

Lacey is an energetic loving girl that just loves fuss and attention and to be with you.

Lacey needs a home with no children including visiting children, she also needs a home that will stimulate her physically and mentally and that has experience with the collie breed especially working collies.

Lacey loves to run around but she will need training on recall before she can be let off lead in public she also doesn't realise that she has springs for back legs and will easily jump up to adult height with force so again this will need basic training.

Lacey will make a fantastic member of the family she will take time and patience but with the correct training and stimulation she will develop in to a well mannered girl.
