

# I NEED A HOME

## Wilson

**Breed: Labrador (cross)**

**Size: Large**

**Gender: Male (N)**

**Centre: Birmingham Centre**

**Age: 2 years 7 months**

**Child Suitability: No**

**Live With Dogs: No**

**Status: Available**

Wilson will need a very active home with a lot of physical and mental stimulation to keep him on the go.

Wilson has undergone lots of behavioural training therefore will need an experienced owner who will continue with his training.

Wilson will sit on command and is eager to do anything for a special treat. He is strong on the lead therefore we have been halti training him.

When out and about he will jump up and can be a bit grabby, so will need to be discouraged. The canine carers have been doing focus training with him to stop this.

Please call the Birmingham Centre if you have the time and patience to help Wilson.
